

PRIVATE LUXURY CAMP EXPERIENCES

SUMMER, 2020

A wide-angle photograph of a luxury campsite in a desert landscape. In the foreground, there is a large, white, tent-like structure with a curved roof and a wooden wall, situated on a rocky outcrop. The background features a vast, arid valley with sparse vegetation and a prominent, layered rock formation under a clear sky. The sun is low on the horizon to the right, creating a warm, golden glow and long shadows.

A private destination summer camp experience for the whole family.

NO CAMP? NO PROBLEM!

With most camps forced to close this summer, how can concerned parents keep their children stimulated and safe in the age of post-lockdown social distancing?

This exclusive opportunity has been designed to offer comfortable settings allowing for social distancing, through private accommodations, private meals, private activities and a dedicated private counselor.

Kids will be entertained with full days of play with their personal counselor, while parents can relax with peace of mind or work remotely if necessary.

Whether you are looking to travel alone or with one or two close friends or family, our team will tailor a customized program for every age group around everyone's interests.

PRIVATE ACCOMMODATIONS

We have curated a host of private and semi-private destinations to choose from around the USA, Caribbean and Mexico, including ranches, private lodges, mountain escapes and beach getaways.

Working Remotely? Upgrade Your View!

For mom and dad we recognize it may not be all fun and games – we'll have a remote office set up for your convenience as well as make sure you get the time you need to unwind!

Our highly trained private counselors will provide you the time to get dressed up for that date night and dressed down to participate in personally designed family activities, meant to create lasting life-enriching memories for years to come.

YOUR PRIVATE CAMP DIRECTOR

Meet Lynda Levy, she brings the FUN!

Our camp director Lynda Levy, is not only one of the most fun and most creative people you will meet, but she comes with over 10 years of experience in camp programming and multi-generational entertainment planning.

Kids love basketball? Why not shoot from the pool? Family fun? How about a personalized family game show?

Lynda and her team will virtually meet with you and your children for a full consultation to create your very own customized daily schedule, based on your family's interest and local experiences. In whatever destination you choose, Lynda and her team will work in conjunction with our dedicated team for a full-service experience for your whole family. There are two program choices, **standard** and **gold**, the standard offers an array of activities to choose from where the gold level personalizes and creates unique activities based on the families passions. Both programs are sure to create memories that will last a lifetime for a summer to remember!
